Lighting up Your Leadership Journey: Thoughtfully Leading from your Best Self

› **TARGET AUDIENCE:** All genders, all levels of leaders and managers

Decades of research on the practice of leadership show time and again that at the core of leading successfully is the ability to be in relationship with others in an inclusive, self-aware, and inspiring way. No matter the industry, great leaders understand their own emotions, as well as those of others, and respond appropriately. They understand that leadership IS relationship, and they multiply their impact with and through others by tapping into and bringing out the unique gifts and talents of those around them. To be an effective leader begins with managing oneself thoughtfully. In this engaging, informative and inspiring keynote, leadership expert Susan Mackenty Brady shares what every leader must do to foster an inclusive, psychologically safe, innovation-rich, emotionally intelligent workplace culture.

Arrive & Thrive: Find, Invest & Return to Your Best Self

› **TARGET AUDIENCE:** Women professionals; all levels of leaders and managers
(Ally's welcomed and wanted!)

Have you ever wondered how to flourish in a senior leadership role as your best self, inspire excellence in your team channeling your own wellbeing and, at the same time, lead a highly fulfilled life? In this engaging, informative and inspiring keynote, leadership wellbeing expert Susan MacKenty Brady draws on her own personal and professional experiences to bring to life 7 Impactful Practices that will help you understand and leverage your unique personal powers so you can thrive in leadership.

Powered by her latest book, Arrive & Thrive: 7 Impactful Practices for Women Navigating Leadership, Susan inspires women in leadership who have made the brave choice to go for it to strive for a top job — as well as all allies of inclusivity — to make an even bigger impact, and to lead by example with courage and purpose.
